

AI as Your Creative Assistant

Example Prompts You Can Try

Artificial intelligence can help you be more creative without replacing your own ideas. Try these prompts with ChatGPT, Gemini, Copilot, or another AI assistant.

Writing & Storytelling

- Help me write the story of my first job in the 1960s.
- Write a birthday poem for my granddaughter.
- Turn these notes into a family history I can share.

Arts, Crafts & DIY Projects

- Give me five easy watercolor painting ideas for beginners.
- Suggest a simple woodworking project I can finish in a weekend.
- Help me design homemade Christmas gifts for my family.

Photography & Memories

- Where was this photo taken?
- Suggest captions for this vacation photo album.
- Help me restore and colorize this old family photograph.

Cooking & Baking

- I have chicken, broccoli, and rice. What can I make?
- Convert this recipe to serve two people.
- Plan a week's worth of heart-healthy dinners.

Travel & Local Adventures

- Plan a relaxing day trip within 50 miles of my home.
- Recommend three museums and lunch near Pasadena.
- Create a three-day itinerary for San Diego.

Movies, Books & Music

- Recommend mystery novels like Louise Penny.
- Suggest movies similar to *The Bucket List*.
- Create a relaxing jazz playlist for dinner.

Learn a New Hobby

- Teach me the basics of bird watching.
- Help me get started with gardening in Southern California.
- Create a beginner's photography lesson using my iPhone.

Create Something New

- Help me create a scrapbook for our family reunion.
- Design a simple flyer for my community club.
- Help me write and illustrate a children's story for my grandchildren.

One More Tip

Don't worry about asking the "perfect" question. If the first answer isn't exactly what you want, simply continue the conversation.

Try follow-up requests such as:

- Make it simpler.
- Give me three more ideas.
- Show me an example.
- Make it shorter.
- Explain it like I'm a beginner.
- Add more detail.
- Change the tone to be more humorous.
- Create a printable version.
